

Tejas Chamola

Computer Science Undergraduate |
Interested in [AI / Web Development / Data Science]

Contact

Address

- New Delhi, India 110063

Phone

- +91 8130758250

E-mail

- chamolatejas1006@gmail.com

Skills

Programming Languages:

- Python, C

Web Development:

- HTML, CSS, JavaScript, React

AI / ML / Prompt

Engineering:

- Prompt engineering
- AI engineering (project experience)

Tools & Platforms

- Git
- **Deployment** (e.g. hashing projects, cloud, deployment processes)

Tejas Chamola

Computer Science Undergraduate

Interested in [AI / Web Development / Data Science]

Undergraduate student in Computer Science & Engineering with hands-on experience in AI engineering, web development (HTML, CSS, JS, React), and prompt engineering. Skilled in Python, C, Git, and deployment of projects. Eager to apply technical knowledge in real-world internship projects and contribute effectively to a professional team.

Motivated individual offers strong work ethic and punctuality, with organizational and team collaboration skills to improve processes.

Experience

Expected in
2028-08

College Student

Currently pursuing Bachelor of Technology in
Computer Science & Engineering.

Inderprastha Engineering College - Ghaziabad, India

Education

Expected in

Bachelor of Technology: Computer Science And Engineering

Inderprastha Engineering College - Ghaziabad, India

Certifications

- Prompt engineering for everyone (powered by IBM)
- Prompt engineering (by skill)
- Bharat shikha expo hackathon
- SIH hackathon 2025
- Introduction to cybersecurity (by cisco)

Working and exploring on ai and llms

Currently working and exploring AI and Large Language Models (LLMs), focusing on model design, prompt crafting and engineering, and creating practical applications. Gaining hands on experience in building intelligent systems, experimenting th various AI tools and frameworks, and applying theoretical knowledge to real-world projects.
